Art materials

Estimated at £150 during the first year, and, once the basic materials have been bought, less in the remaining years. Mainly watercolours, brushes, boards, paper, pastels and drawing materials are required.

Additional student requirements:

Students are required to have a minimum of 40 hours of personal therapy (art therapy and counselling/psychotherapy) taken regularly throughout the duration of the course. 40 hours are required to be completed by the end of the training and can cost between £35-55 per hour.

Students are required to undertake 250 hours of supervised clinical practice. One hour of supervision for every 6 hours of client contact time. This cost is mostly covered by the institution where the placement is undertaken.

Note:

Accommodation, food, materials and travel are not included in the fees. Fees are subject to annual review and possible increase.
